FREEELANCE WORK HISTORY

SELF-EMPLOYED SINCE 2013

Blame it on Rebekkah Designs • Albuquerque, NM

- Create high quality digital and print assets for business marketing success (brochures, ads, social media, presentations)
- From concept to conclusion, design and develop responsive websites using CMS platforms like WordPress & HTML/CSS for perfection
- Data visualization & infographics to present large, complex amounts of information beautifully and succinctly
- Long-format document layout and design (like newsletters, educational materials, books/e-books and magazines, and instructional manuals)
- Complete business identity branding (logo, colors, typography, graphic elements, voice and tone)

A selection of my clients (past and present): Accelerate Learning/STEM-Scopedia (Houston, TX), Goddess Ink Publishing (Albuquerque, NM), The Association for the Study of Women and Mythology (Brooklyn, NY), Albuquerque the Magazine, Teachers of Tomorrow (Houston, TX)

THINGS I DO FOR JOY NOT MONEY

Write Songs • Sing • Logic Probelms • Color • Audio Books • Live Music Event Production

PRIDEZILLA is an all-ages fund-raising, community festival I produce, with two stages packed full of local talent. Includes: Bands, soloists, comics, poets, artists, vendors, and cabaret acts. All profits donated to a local LGBTQ+ beneficiary. In 2025 it raised \$3000+ for Transgender Resource Center of New Mexico.
